Community Club Carol Service December 19

BOY SOPRANOS FROM ALL SAINTS' CHURCH WILL ASSIST IN SERVICE AT PRESBYTERIAN CHURCH.

Boy sopranos from All Saints' Choir, Wynnewood, accompanied by the Community Club Chorus, will sing Adam's "O, Holy Night" at the carol service in the Presbyterian Church December 19. It is expected that the entire chorus will be vested to emphasize the importance of this service.

The carols to be rendered date back in some instances to the twelfth and fifteenth centuries, and are gathered from Italy, Spain, Brittany, Alsace and Old England.

The entire program will appear in next week's issue of Our Town, and it promises a real treat to music lovers.

WOMEN'S CHORUS GIVES CONCERT AT WEST CHESTER.

The Four Part Women's Chorus, under the management of the Women's Community Club, through Mrs. A. B. Ross, gave a concert in the Women's Club House at West Chester last Tuesday.

The concert consisted of several numbers by the chorus and a sextette from the chorus, conducted by the regular choral leader, Mr. David Spratt. Mrs. Lewis Easby's violin selections were, "Prize Song," from "The Meister Singers," and "Romance," by Svendsen. Mrs. John Patman, of the Philadelphia Operatic Company, captivated the audience with her renditions of "The Waltz Song" from Gounod's "Romeo and Juliet," and "Cupid and I," from "The Serenade," by Victor Herbert.

At the close of the concert the chorus

Sunday's Snow Storm a Beautiful Sight

HEAVY FALL OF SNOW TURNS HIGHWAYS AND BYWAYS OF BOROUGH INTO FAIRYLAND OF WHITE.

Narberth's residents, old and new, were treated to an unusual and truly beautiful sight last Sunday, when our borough received its share of a heavy fall of snow on that day.

Climatic conditions were ideal for this almost unparalleled example of nature's sculpturing. The snow was not too dry, and the air just the right temperature to make the heavy flakes cling to every bit of twig.

The snow began in the early morning, half heartedly at first, but increasing in intensity as the day progressed. In the morning most of the fall melted as soon as it hit, but towards noon the flakes began to stick. Gradually the tree and shrubbery began to take on color, and in some cases, startling size. Every telephone wire became a heavy strand of jute cotton, while the streets of Narberth and the country roads adjoining were as it dipped in cotton flakes.

Many of our older residents, who remembered the stereoscope which used to be a feature of nearly every household, recalled the classic picture of the park scene, where every object was covered deep with glittering snow. This old family favorite was seen by many, in its full beauty for the first time in real life.

Snow Plow Out.

The Borough snow plow was in use for the first time this winter. The snow piled up to about four inches in depth on the pavements, and the cheerful scraping of snow shovels cheered the heart of the winter lovers. It is encouraging to note that a large percentage of our residents were on the job promptly, and got the snow cleaned up before dark. Those who let it lay were treated to patches of ice for several days.

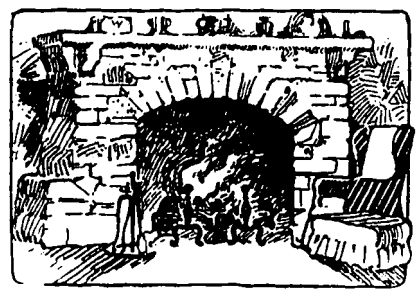

And the Kids.

Long before the snow had given any indication of letting up, all over the town could be heard the opening of cellar doors, and the scraping of sled runners on the steps. The runners were rusty at first, from the combination of a summer's rest and an enforced state of innocuous desuetude—if we may be

Two One-Act Plays By Senior Class

"TOO MUCH BOBBIE" AND "THE FLORIST SHOP" TO BE GIVEN ON THURSDAY, DEC. 22.

The Senior Class of the Narberth High School will give two one act plays in the High School Auditorium on Thursday evening, December 22nd.

The annual play given by the Senior Class in the past has always drawn a capacity house. This year a departure in the shape of two short plays instead of one longer one is being attempted. Rehearsals are being held regularly, and a fine spirit is being shown by the cast. If this event goes off with the enthusiasm of former shows, an excellent entertainment is promised.

As Mr. Melchoir used to tell us, "Disappointments are unknown up on the hill."

Tickets are priced at fifty cents each, and may be obtained from any member of the Senior Class.

Next Tennis Dance Saturday, December 17

ANOTHER ONE OF THE POPULAR AFFAIRS SCHEDUULED FOR NEXT SATURDAY EVENING.

The next dance of the Narberth Tennis Association will be held next Saturday evening, December 17.

Tickets have just been mailed to all members and those desiring extras for relatives and friends may obtain them from C. B. Metzger, chairman of the Entertainment Committee, 15 Chestnut avenue.

The Entertainment Committee would much prefer that members use tickets and see that their friends are supplied with tickets rather than that cash admissions be paid at the door the night of the dance. Mr. Metzger has extra tickets and will be very glad to supply members with as many as they need if they will but phone him or drop him a line.

An interesting special feature is being arranged for the December 17 dance, the details of which have been supplied to members with tickets.

"What sort of a time is your friend having on his motor tour?"

"Great! I've had only two letters from him—one from a police-station and the other from a hospital."

Community Club Juniors Very Active

LAST MEETING WAS MOST ENJOYABLE—JUNIOR SECTION AIDS IN WELFARE DRIVE

The last meeting of the J. S. W. C. C. was held at the home of Miss Ella Dothard, on Wynnewood Road. After a short business meeting, the club enjoyed an evening of recitations and dramatics.

Mrs. Georgianna Sickels, a professional elocutionist, gave several very charming selections from the modern poets, among whom featured Joyce Kilmer, Tom Daly, Eugene Field, and Alfred Noyes. Mrs. Sickles' rendering of Tom Daly's Italian dialect poems, should have been especially interesting to the girls who recalled that the Community Club Library boasts an autographed copy containg many of those poems given by Mrs. Sickles. Practically all of her selections were well known favorites, and most effectively interpreted, as was shown by the enthusiastic appreciation of the girls for Mrs. Sickles.

No less enthusiastic, however, was the response to the clever little sketch which followed, presented by members of the Club. Coached by Augusta Witherow, "Engaging Janet," as the "comedyette" was called, included in its cast: Thelma Fowler, Ella Dothard, Marion Knapp, Emma Mueller, Mabel Kirkpatrick, Margaret Fowler, and an unknown male (?) arm. It was quite informal, but clever and "snappy," and the girls hugely enjoyed it. Here's hoping for some more—and perhaps the public will be invited next time!

Punch and cake were served and the usual gayety prevailed until adjournment.

Hasten! new members and join for this year. You can't afford to miss these jolly meetings—now, can you?

A COMPARISON

To ask the readers of Our Town to act in a co-operative manner is not unusual. To ask you to act in a spirit of competition is not unusual, but to ask you to do both is unusual, and at first thought, seemingly impossible.

However this situation does exist.

A nearby town, Media, has been fortunate in securing our Prof. Clarence C. Nice to direct their Choral Society on Saturday evening, December 17. Our own Society will have its first winter concert on the Friday evening immediately preceding this date and thus a means of comparison as well as our opportunity to show their loyalty to Prof. Nice is afforded everyone.

Editorial

SPARED.

Narberth people read with horror the story of the collision on the Philadelphia and Reading last Monday, when twenty-five or more persons lost their lives.

This tragedy recalled to the minds of many residents the narrow escape of commuters on the 5.40 about a year and a half ago.

The Narberth express, it will be remembered, was traveling at high speed between Fifty-second street and Overbrook when a freight train, running parallel to the electric, suddenly buckled, throwing two cars on the tracks, directly in the path of the speeding passenger train.

The motorman had barely time to set his brakes and leap back when the crash came. The impact was so great that the first three cars of the electric were thrown from the tracks, the two freight cars were ground to pieces, tracks were torn up and the wires were broken.

Yet no one on the train was so much as scratched.

When we think of Newtown, mourning the loss of many of its residents, and then imagine the situation of Narberth, hundreds of whose men folks were on the wrecked 5.40, if the results had been fatal, we cannot but feel grateful for our fortunate situation.

The comparison between the two wrecks goes right back to the question of steel equipment. No matter what may be the financial situation of a railroad, human life cannot be measured in dollars and cents, and the blame for the Bryn Athyn tragedy must, in the end, go back to the railroad company.

The fact that a terrific crash on our Main Line did no more than bend the front of one of the cars, and injured no one, is a distinct tribute to what is undoubtedly one of the finest suburban train services in the world.

Narberth folks, and Main Liners in general can congratulate themselves on one more favorable factor in their situation.

A BEAUTIFUL CUSTOM.

Special effort is being made this year to spread in Narberth the custom, started a few years ago, of keeping lighted candles in every window on Christmas Eve.

The shades should be pulled up to the top, and each window facing a street should be lighted. The room itself must, of course, remain dark.

Visitors to Narberth in past years have said that this formed one of the prettiest sights they had ever seen. It certainly does a great deal to enhance the Christmas spirit among our people, and is something visitors will remember for a great while.

Remind your neighbors of this. Let no window be dark this Christmas Eve.

AT HOME.

This year our Narberth merchants have been putting in special stocks of articles for the Christmas shopping season. A really fine line of goods is on display at nearly all of the stores.

We suggest, in every case, before purchasing Christmas supplies, cards, etc., that you look around the store of one of our own tradesmen. Cooperate with your home business people. It does the town a world of good.

VERY POOR.

The thirty-three hunters who were detected feasting on a doe killed in violation of the State game laws have been notified to cough up the "dough" to the tune of $100.00 each.

[The above, sent in by one of our best correspondents, moves us to protest. If there is anything we hate, it is a buck pun, which this "joke" surely is. For these reasons we have decided not to publish the item.—Ed.]

By the middle of the month there was a deficiency of 29 degrees, which was wiped out by two days that followed, when the thermometer registered 75 degrees. Abundant rainfall followed the dry October, while the depression of the barometer was less than usual in a month in which it is generally more marked.

THE CO-OPERATIVE OBSERVER,
THE WEATHER BUREAU.

"IN THIS SIGN."

Between now and Christmas you will have many an opportunity to purchase the little stamps of the National Tuberculosis Association. Purchase them generously and put them on your letters in the way approved by the Post Office Department. They are not worth a thing to you. They won't carry your letters, but they will carry a chance to live to tens of thousands upon whom death has put its first sign. That sign can be crossed out, is being crossed out yearly in seventy-five thousand cases by the ministrations made possible by the sales of the little stamps. It is estimated that there are over a million cases of tuberculosis in the United States, that every four minutes, day in day out, a man, or woman, or child dies of it. **And it is both preventable and curable.** It is not true that it is inherited; it is "caught," just as any other communicable disease is "caught," by germs transmitted from sufferers with the disease. That makes the remedy easier to apply, but means that it must be applied constantly, for there is no safety for any one while the disease is among us. Every stamp you buy helps to push the enemy back, is a shield between it and a child or a father or a mother. More than fifty per cent. of all children are infected before they are ten years of age, from sixty to ninety per cent. before they are eighteen. The strong survive; the weak succumb. You can help to protect them all and provide care for those who need it by purchasing Christmas Seals at one cent each. How many?

—WILLIAM FREDERICK BIGELOW, in Good Housekeeping for December.

PALACE THEATRE, ARDMORE, PA.

HEALTH WEEK.

Special messages on tuberculosis work will be presented in the churches tomorrow in connection with the Health Week program of the Tuberculosis Society.

Christmas Seal sales are progressing rapidly in Narberth, and Mr. R. J. Edgar, President of the Montgomery County Branch, announces that a very hearty response has been made to the appeals.

MAIL EARLY AND OFTEN

The Christmas tide is drawing near,
When parcel post looms high,
The clerks and postmen plead with you
"MAIL EARLY" is their cry.

Of course you want your friends to get
Their gifts by Christmas Day,
And Uncle Sam will back you up
If you mail them right away.

But if you keep on waiting
Until the last few days,
There'll be congestion in the mails
And terrible delays.

Just think how disappointed
The kiddies all would be,
If your presents came too late
To hang on the Christmas tree.

Your gifts need not be opened
If a paster you will use;
"Don't open until Christmas"
Is a seal that you should choose.

I wonder if you realize
The hardships of the clerks,
If you neglect to mail this week,
And thus your duty shirk.

And picture the poor postman
Laden down with shoulders lame;
For altho 'tis "Merry Christmas,"
They must all work just the same.

So remember, friends, MAIL EARLY,
If you'd spread the Christmas cheer,
MAIL EARLY, and MAIL OFTEN
And delays you need not fear.

ARTICLES TO NORWAY NO LONGER PROHIBITED

The Postal Administration of Norway advises that the prohibition on pictures, photographs, photographic goods, frames with or without mounted pieces for photographs, pictures, engravings and like articles, paintings, water colors and pastels, framed or not is no longer in effect.

Nonpostage stamps, such as Red Cross seal, etc., should not be placed on the address side of mail.

HIGH GAME

"My time," said the magnate, "is worth $100 a minute."

"Well," answered his friend casually, "let's go out this afternoon and play $10,000 or $15,000 worth of golf."

The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow-townsman, and who is progressive enough to add name to list of Register.

As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.

ARDMORE HASTENS WAR MEMORIAL

In response to a call issued by the Ardmore Chamber of Commerce, a number of people gathered at the Woman's Club last Monday night to consider the establishing of a memorial in recognition of the self sacrifice, loyalty, and patriotism of all those from Lower Merion and vicinity who served in the United States Army, Navy, or Marine Corps.

The fact that Ardmore is without a memorial has been a subject of much discussion for several years, and residents of Ardmore have become restless and discontented, because almost every town and community throughout the country has done something to make immortal the noble service rendered by their fellow townsmen.

The meeting resolved itself into the Memorial Association of Ardmore and vicinity, and proceeded to adopt By-Laws to govern its body.

The meeting decided to allow any person interested in the objects of the Association to become a member upon the payment of one dollar, and when someone suggested that the people present start the membership, there was a wild scramble to the platform to enroll. The dollar bills fell fast and thick, like the falling of leaves in an autumn breeze.

Thirty-six directors will be elected to direct the Association, and these will be elected at the next meeting of the members.

Many different types of memorials were suggested, such as a club-house for the Bullock-Sanderson Post, a public park, a play ground, endowed beds in a hospital, scholarships for ex-service men, etc.

The following resolution was submitted by the Bullock-Sanderson Post:

"WHEREAS, it has come to our knowledge that it is planned by the Ardmore Chamber of Commerce and other citizens, to raise a fund for a Memorial to those who, during our war with Germany, entered the armed service of our country from Ardmore, Haverford, Wynnewood and their vicinities, and

WHEREAS, "We understand the exact nature of the Memorial has not yet been decided upon, and

WHEREAS, "We believe the spirit of self-sacrifice and service which actuated those who answered our country's call to arms would be best commemorated by a Memorial which would be of service to them or to their comrades at large in an hour of need; now therefore, be it

Resolved, "That the Bullock-Sanderson Post of the American Legion of Ardmore expresses its profound appreciation of the thoughtfulness and patriotism that inspires the movement to raise a Memorial Fund, and be it further

Resolved, "That the Bullock-Sanderson Post also expresses its hope the Memorial may take the form of a permanent fund, part of which to be available for the purpose of erecting a suitable building for the Post, the income from the balance thereof to be available for the aid of our comrades or their dependents in case of need, the principal at the end of sixty years to become available for some civic purpose that would be of service to the community as a whole and serve as a more visible embodiment of the thought of the community for its citizens who served in the World War."

Rev. Andrew H. Haughey was elected temporary chairman, Charels W. Crist temporary secretary, and Howard G. Hurtz temporary treasurer. Messrs. Dudley Bartlett, Edwin A. Fitts, and C. B. Pennypacker constituted a committee which submitted the By-Laws to the meeting.

Memberships are solicited. Everyone interested is urged to send their name with one dollar to the temporary secretary, Charles W. Crist, Room 7, Merion Title Building, Ardmore, Pa.

ALUMNI DANCE CREAM OF CHRISTMAS WEEK.

GRADUATES OF LOCAL HIGH SCHOOL PLAN FINE ENTERTAINMENT FOR NARBETHITES WHO DANCE.

Plans are proceeding rapidly for the big Christmas Dance, to be given under the auspices of the Narberth High School Alumni Association. The affair is to be held in Elm Hall on Wednesday evening, December 28th.

A fine orchestra has been obtained, and the Entertainment Committee is now at work planning the decorations, favors and refreshments, which will be features of the dance.

This event, the first public affair given by the alumni in several years, will afford an excellent opportunity for the graduates to renew old friendships, and for many townspeople to get acquainted with our local alumni.

The dance is open to everyone. All you need is a "date and a dollar." It is no exaggeration to say that this dance will be one of the best planned events of the season. The refinishing of Elm Hall, recently completed, will be an added feature of attractiveness.

Alumni members have their tickets. To all others, REMEMBER THAT DATE, Wednesday, December 28th.

NARBERTH HELPS WELFARE FEDERATION CAMPAIGN UNDER LEADERSHIP OF THE JUNIORS

Narberth is never "out" of anything. So it couldn't be "out" of the Welfare Federation. The Junior Community Club, its forces marshalled under the leadership of good citizen Mr. Stites, canvassed the width, length and breadth of the town, and brought back results. Results to the tune of about eight hundred and fifty dollars cash, and two hundred dollars pledged, $1,050.00 in all, as Narberth's contribution to the big charity drive. The Juniors may feel very proud of the Town which responded to their pleas for help to this extent, and the Town may feel very proud of its Juniors who gave their energy and time to presenting the apportunity to all to help in this big movement.

RECITAL

The pupils of Mrs. Edward Stanley are giving a recital today, which will include selections varied in character and by prominent composers, including Sartorio, Heller, Englemann, Hollaender, Durand, Wenrich, Wartenstein, Dvorak, Godard, Rachmaninoff and others.

A Christmas touch will be introduced in the form of a Cradle Song; Bell selections and a Christmas Carol.

Tennis Card Party is a Big Success

LADIES' AUXILIARY SPONSORS BRIDGE AND FIVE HUNDRED LAST SATURDAY NIGHT AT ELM HALL

Our own Elm Hall Academy of Music, Metropolitan Opera House and Madison Square Garden all rolled into one, has been the scene of many successful social affairs, but very few have equalled and none of them has out topped the big card party given there last Saturday evening by the Ladies' Auxiliary of the Narberth Tennis Association.

About one hundred and seventy five persons participated, and it is positively no idle statement that everybody had a fine time. There were tables of bridge and 500, and prizes and refreshments of ice cream and cakes and salted peanuts and fudge, and over it all a genial and friendly atmosphere that added just the right touch to insure a pleasant evening for old timers and new comers equally.

Incidentally, Elm Hall had on its best bib and tucker, thanks to the Fire Company, which has just finished a complete renovation of the place. What with the new lighting fixtures, the new ceiling, the newly painted walls, and all the wood work mahoganized, you'd hardly know the Hall. It certainly is a big improvement, and commendation and appreciation of what the Fire Company has done was heard on every side.

The following were the prize winners:

Bridge Ladies: first, Mrs. George V. Mahl; second, Mrs. F. D. Halliwell, Jr.; third, Mrs. Katherine Trowbridge; fourth, Mrs. Newman Johnston; fifth, Mrs. Wm. J. Henderson; sixth, Mrs. W. J. Kirkpatrick; seventh, Mrs. J. F. Donnelly.

Bridge—Men: first, C. M. Little; second, F. W. B. Humes; third, C. William Glose; fourth, Elliott Surtees; fifth, I. A. Miller; sixth, E. P. Dold; seventh, A. T. Grugan.

Five Hundred Ladies: first, Mrs. Horace Wanamaker; second, Mrs. Albert Ladner; third, Mrs. Mary Howes.

Five Hundred—Men: first, A. J. Schell; second, J. E. Burrell, third, A. W. Fredericks.

While the members of the Auxiliary feel exceedingly grateful to everyone who attended the party, and to all those who donated prizes or in any other way contributed to the big success of the affair, the fact remains that too much credit cannot be given the committee of the Auxiliary that had direct charge. This committee consists of Mrs. C. B. Metzger, chairman; Mrs. Warren Wright, Mrs. Otto Kruse, Mrs. James McKell, Mrs. E. P. Dold, Mrs. K. W. McHose, Mrs. F. W. B. Humes, Mrs. I. A. Miller, Mrs. Charles E. McKillips, Mrs. C. L. Warwick, and Mrs. Harry Hartley, ex-officio.

The prizes donated included a box of fine writing paper given by William S. Howard, a box of candy given by Howard Davis, a basket of Libby's food products given by Howard Cotter, a lacquered box given by the Betty Shop, and, two silver pieces and a blue art glass dish given by A. R. Justice & Co. A number of the members of the Tennis Association also donated prizes.

NARBERTH LEAGUE OF WOMEN VOTERS' MEETING DECEMBER 12, 3 P. M.

The meeting of the League will be held at the home of Mrs. S. Z. Shope, 108 Iona avenue, and will open promptly at 3 P. M.

History of the political parties will be the main subject for discussion at this time and will be presented by Mrs. E. A. Muschamp.

Do you know how the President of the United States is elected and when?

Do you know what determines the number of electors in each State?

Do you know who would serve in the event of death or disability of the President and Vice-President, and in what order?

Do you know who the U. S. delegates are to the Limitation of Arms Conference and why they were chosen?

Do you know how you may join a political party? After joining are you obliged to vote that party ticket?

Do you know what a straight ticket is and how you may vote same?

Do you know why the vote on the bond of the Narberth Playgrounds was illegal?

Do you know how the vacancy caused by Mr. Metzger's recent election to Burgess was filled in Council?

These and many other questions will be answered at this time.

Members are urged to bring questions that may be perplexing them before the meetings.

These meetings are open to all women of Narberth seeking political education. Each member please bring a friend.

At the termination of the discussions a brief outline of the conclusions reached at the second annual State convention recently held in Wilkes Barre will be outlined.

The annual dues of $1.00 are now payable to Mrs. E. H. Cockrill, 205 Forrest avenue, Treasurer. The prompt remittance by members will be appreciated in order to enable the officers to determine their status relative to the payment of the county assessment.

Don't forget the time Monday, December 12th, 3 P. M.

Europe has fifty languages and 587 variations. The comparatively small number of variations in their language is due to the fact that they have no baseball writers over there.

Ash Collection

Starting with the week of October 17th, the ashes will be collected each week until further notice.

Kindly have tin cans and rubbish placed in containers separate from the ashes.

GEO. B. SUPLEE,
Street Commissioner.

COMMUTERS ALARMED BY BROKEN WHEEL.

Narberthites on the 3.45 o'clock train from Broad Street Station Tuesday afternoon were disturbed all the way to Overbrook by a queer bumping of the car and a grinding sound from the forward trucks. The trains on this line travel at high speed, and the peculiar swaying motion and grinding sound worried the crew so that the train was stopped and an examination made.

The trouble was found in one of the forward front wheels. A large, jagged section of the flange was cracked and hanging slightly away from the wheel body. When the train stopped the passengers ran forward to see what had happened. All passengers were ordered out of the forward car into the second. The disabled one was uncoupled and run on a siding. The mishap caused a delay of more than twenty minutes.

Sunday's Snow Storm a Beautiful Sight

(Continued from Page 1)

permitted to use such words last winter.

In the afternoon the fields and hills were well patronized, and though the snow did not pack very well, many coasters were out in the evening.

An Accident.

Shortly after noon on Sunday, a heavy truck of the Beyers Ice Cream Company skidded on the snow-covered street at the corner of Wynnewood and Chestnut avenues. It was turning in from Wynnewood avenue, and in making the rather sharp curve at that point, skidded and struck an electric light pole with such force that the pole was snapped off at the base. Fortunately no one was hurt, and no serious damage done to the truck. The Bala and Merion Electric Company soon had men on the job to repair the damage and restore connections on the broken wires.

THE FIRESIDE

(Continued from Page 1)

Christmas shoppers may find dolls "sharply reduced," at Mrs. W. J. Bailey's, 228 Essex avenue, and Fancy Articles at Mrs. C. L. Smith's, 310 Essex avenue.

Mrs. Robert E. Pattison, who suffered a slight stroke recently, is somewhat improved. Mrs. Pattison resides with her son, Robert E. Pattison, Jr., at 312 Chestnut avenue.

Mr. Herbert Clevenger, of Woodside Avenue, who has been in a Philadelphia hospital, undergoing a slight operation on his throat, has returned to his home this week.

On Tuesday evening, December 20th, the pupils of Narberth High School will give the usual Christmas Carol service in the Auditorium at eight o'clock.

Miss Mary MacKeng, of Dudley avenue, entertained a number of her former associates at the Strawbridge and Clothier store last Sunday evening. The affair was in the nature of a birthday surprise party.

Mr. William S. Horner, of Narberth avenue, General Manager of the Philadelphia Branch of the Locomobile Company, has been in New York, attending the big auto show in that city.

A Community Mass Meeting addressed by Miss Haynes in the Baptist Church, Tuesday evening, Dec. 20th. Miss Haynes is a member of the Friends and has been working in Russia, and is to return in a few weeks. She is one of the most wonderful women of the present day. Narberth is fortunate in having an opportunity to hear her, and we invite the community to pack the building for her message.

WHY HE WENT

"Say, mama, was baby sent down from heaven?"

"Why, yes."

"Um. They like to have it quiet up there, don't they?"

Community Club Carol Service December 19

(Continued from Page 1)

was given an informal reception by the West Chester Club, with Mrs. Chester Martindale as hostess.

The warmth of the substantial part of the reception made the return trip to Narberth a merry one.

The Community Club Choral Society will make its next public appearance at the Ardmore Women's Club House on Friday, December 16.

CLUB MEETING DECEMBER 13.

At the meeting Tuesday, December 13th, Miss Nordine will tell some of her experiences in the Municipal Court. Miss Nordine has been connected with this work for several years, and will doubtless have many interesting stories to relate. Mrs. Lewis R. Dick, of the New Century Club, will read selections from the new poets.

There will be music and the usual social hour.
